

Drum Sump Stands

Individually designed pallets to keep workshop floors free from oil spillages.

Sump pallets can be produced in different sizes to accommodate 205 litres barrels and 1000 litre & 1250 litre IBC's.

Specialised sump pallets can be designed and manufactured to customers own specification.

Secure Storage Range

Secure storage cabinets are available for safe outdoor storage of oil drums.

Large capacity fully seamed welded sumps for collection of spilt liquid.
